Since 2006, Lawrence Hospital has been pleased to offer the Center for Advanced Surgery – a specialized group of surgeons from NewYork-Presbyterian and Columbia University. This alliance gives patients the opportunity to get surgical expertise from one of the most prestigious healthcare institutions in the world right here at Lawrence. These Board-Certified surgeons provide a full spectrum of the latest surgical care including advanced laparoscopic procedures, breast surgery, obesity, colorectal and

endocrine surgery; surgical oncology and urgent general surgical care.

The Center for Advanced Surgery, together with Lawrence Hospital clinicians and staff, gives you access to some of the best healthcare in the tri-state area.
